

# Teacher Discount Program

For those who make a difference in every child's life.

*Because children are our future, it takes special people to touch their lives and encourage them to become responsible, educated adults. Alfa Insurance® applauds our teachers for making a difference in every child's life.*

Alfa Insurance is proud to offer a special discounted auto rate to those who make a difference and impact the children of today for tomorrow's future.

## Minimum Qualifications

- Must be a full-time teacher or professor employed by a public, private or vocational school or a college or university.
- Available to Alabama and Mississippi teachers and professors.

Ask your hometown Alfa™ agent for further details on how Alfa can save you even more money while caring for your auto insurance needs.
